# SICK SCRAWLS!

Dear Sickies;

I split over Cher's sister...Ophelia, if you'll pardon a pun, she has just the bounce needed to round out Cher. I hope she stays a long time with her half-sister.

Hopefully,  
John Fogerty  
Fort Worth, Texas

Dear John;

*Ophelia Bunz has plans to stay; Cher has other plans. Plan to stick around and see.*

Regards,  
The Editor

Dear Editor;

I got two beefs. Why don't we see more Cher, and why don't you print more letters from N.Y.C.?

Dis-gruntled,  
Murry Cummings  
New York City

Dear Murry;

*All right and All right!*

Y. O. S.  
The Editor

Dear Sick;

Ego-Man is my type! Well, he's not my type in the sense of having all those arms, but he's a doer!... He fouls things up, but he's doing somebody all the time.

Another doer  
Sammy Becker  
Bronx, N.Y.

Dear Sammy;

*It takes all kinds!*

The Editor

Dear Editor;

"Plan X from Planet Nerd", Really! ...That is too much! Oh, granted there is another planet in the galaxy just like ours, maybe there are hundreds. But, in your wildest imagination (and yours is), could you conceive of any as stupid as us?

Respectfully,  
Sussie Glass  
Tacoma, Washington

Dear Sussie;

*You are correct! Any Planet that spends \$400 Billion dollars in just Twenty years, has extinction in mind!*

Regretfully,  
The Editor

Dear Editor Sparling;

Yeah, your magazine is funny, but what are you doing about changing the world? It stinks!

Frustrated,  
Bessy Whitters  
Cleveland, Ohio

Dear Bessy;

*A world that produces a single rose is not all bad. The world's two legged animals are its abomination and SICK can only nip at their heels.*

Regards,  
The Editor

Dear Sick;

Ego-Man is great! In comics like everything else you've got to learn to read between the lies.

Sincerely,  
Robert Norder  
Jackson, Miss.

Dear Robert;

*We wish we'd said that. And of course, we will.*

Thanks Kindly,  
The Editor

Dear Sick;

Obviously you jest! Your Planet X thing... You leave us no hope. The thought of another planet so stupid they would look for T.V., and further compounding the insult to our fellow dwellers in this galazy. That they, would seek to copy our T.V. drivél. Sirs, you strip us of every last vestage of the hope chest of our psyche.

Crushed,  
Thelma Middlecamp  
Long Island, N.Y.

Dear Thelma;

Sorry about that. Please take two aspirins and lie down on your astral plane.

Get Well Soon,  
The Editor

Dear Sick;

That Plan X from Planet Nerd... was just great...

Tom Brownly,  
Springfield, Mass.

Dear Tom;

That's two of us who thought so!

Regards,  
The Editor

Dear Sick;

No Imagination what so ever!... What you would have is a combination of Ego-man's six arms around Cher...Wow!

A Future Editor,  
Harry Ghoonad  
Brooklyn, N.Y.

Dear Harry;

You do indeed show promise. Promise you won't do it again!

Regards,  
The Editor

Dear Sick;

My Daddy says the whole world is FLAT, flat broke. I like your book very much.

Stay Great,  
Gloria Jean Hackly  
Duluth, Minn.

Dear Gloria-Jean;

Listen to Daddy!

Regards,  
The Editor

Dear Sick;

For the life of me, I don't know why you don't turn your talents away from the tube and go to work on Washington D.C. There is a world of ridiculous situations you could satirize.

Malcolm Atter  
Falls Church, Va.

Dear Malcolm;

Washington D.C. is a Satire.

Regretfully,  
The Editor

Dear Sick;

The piece you did on "Moody Allen" was very good! However, it does start you thinking. Has this highly talented individual turned sour on a public who put him where he is? Much like that talented man of our grandfather's era, Charlie Chaplain? I wonder.

Bewildered,  
Mildred Whittier  
Nashville, Tenn.

Dear Mildred;

Beats the blazes out of us!

Regards,  
The Editor

IN HIS IDENTITY AS EGOMAN, STANLEY BOREMAN, HEAD OF MARBLE COMICS ("MARBLE, THE STONE AGE OF COMICS.") CEASELESSLY PROTECTS OUR YOUTH AGAINST EVERYTHING --EXCEPT COMIC BOOKS!

BUT WHAT COULD THEY HAVE OFFERED THAT I DIDN'T!!

MORE MONEY, IRONCLAD CONTRACTH, PAYMENTH FOR REPRINTH --- JUNK LIKE THAT!

OH!

## THE BEASTS OF CROCKEFELLER PLAZA

AND, IN THE SINISTER ENVIRONS OF B.C. COMICS...

EVEN STEALIN' HIS TOP TALENT WON'T STOP STANLEY BOREMAN! SO WHAT NOW, JOE KUBE?

I SAY, CRUSH HIM WITH TANKS, PLANES, AND DEFOLIANT CHEMICALS! IT'LL MAKE HIS BEARD FALL OUT!

ONCE I KILL ORLANDO, I'LL BE THE YOUNGEST CHIEF EDITOR IN COMICS!

SMILE, JOE! THIS COULD BE AN HISTORIC MOMENT!!

TOO  
DRASTIC,  
KUBE!

I'M THIRSTY!  
WHERE'S MY  
GENIUS BOY-EDITOR,  
PALL SHLIVOVITZ?

COMING, J.O.! YOU  
TAUGHT ME  
EVERYTHING I KNOW!

DARN!  
THE  
FUSE  
WENT  
OUT!

WHAT  
DO YOU  
SAY,  
BOB  
KORNIGHY?

I SAY---PIN HIM MIDST  
THE QUAGMIRE OF THE  
WHIRLING MORTARS OF  
HIS OWN MIND!

SMILE,  
BOB, SO  
THEY'LL  
KNOW  
YOU'RE  
ALIVE!

SOUNDS  
GREAT!  
BUT  
WHAT  
DOES  
IT  
MEAN?

DON'T ASK ME THAT! DO YOU  
ASK SHAKESPEARE THAT? DO YOU?!!

SAY, DID I TELL YOU ABOUT THE  
TIME THESE THREE CHINESE GIRLS  
BATHED ME IN FROZEN YOGURT?

CRACK!  
ORLANDO!  
WHAT ARE  
YOU  
DOING  
ABOUT  
STANLEY  
BOREMAN?

HI, BOSS  
JENNY!  
DON'T  
WORRY,  
HE'S  
FINISHED!

I WONDER!  
WHAT  
DO YOU  
THINK,  
JULIE  
SCHMARTZ?

I SAY,  
"WHEN IN  
DOUBT,  
LEAD  
TRUMPS!"

TRANSLATE  
THAT,  
BIRDSICK!

(AHEM!)  
(AHEEM!)  
SCHMARTZ  
HAS ONLY  
THREE  
ANSWERS  
TO  
ANYTHING--

...NOBODY SANG  
IT LIKE LOUIE  
ARMSTRONG!

...BATMAN  
WOULDN'T  
DO THAT!

THOSE ARE  
THE OTHER  
TWO!  
(AHEM! AHEEM!)

**BAROOOM!**

PALL! GO  
SEE WHAT  
THAT WAS!

(AHM! AHEM!) I THINK  
IT WAS BOSS JENNY HANG-  
ING UP THE PHONE!

WHAT WE NEED IS AN INSPIRATIONAL  
SPEECH FROM OUR PRESIDENT,  
SOL HERRINGBONE!

LET'S  
HEAR  
IT FOR  
"UNCLE  
SOL"!  
YAYYYY!

"BELOVED PARENTS, RESPECTED  
RABBI, HONORED FAMILY AND  
FRIENDS, TODAY ---

"-- I AM  
A MAN!"

HE'S BEEN GIVING  
THAT SAME SPEECH  
SINCE HE WAS 13!

"DON'T FUDGE  
WITH SUCCESS!"  
RIGHT?

**KRAASH!**

DON'T MOVE!  
A CRIME  
AGAINST COMICS  
HAS BEEN COMMIT-  
TED, AND EGOMAN  
MUST  
AVENGE IT!

MADRE MIA! THEY SAY  
HE CAN BORE A MAN TO  
DEATH AT FIFTY FEET!  
HOLD YOUR EARS AND  
RUN!

I SING OF THE GOLDEN AGE OF COMICS, WHEN MEN AND ARTISTS GOT \$8 A PAGE! BACK IN '39 --

FIGHT IT SOL! DON'T GIVE IN!

DON'T WORRY, I'VE BEEN CARRYING PUBLISHERS FOR YEARS!

TWO SECONDS LATER, WITH THE ROOM EMPTY...

--AND DURING WWII, GI'S READ 12,435,674 COMICS MONTHLY AND---

SAY, YOU SURE KNOW YOUR COMICS! ME, TOO! I'M MURRAY BULGENOFF AND I'VE BEEN HERE SINCE '37!

I EDITED, "THE FLUSH! FASTER THAN AN ATOMIC TOILET!"

"PRETZELMAN! THE SUPER-HERO WITH A TWIST!"

AND-- "DEADANDBURIEDMAN! HIS SMELL ALONE KILLS CROOKS!"

EGAD! HE'S SO BORING!

I KNEW ALL THE GREATS--BILL FLINGER-- HIS MANUSCRIPTS WERE ALWAYS 7 YEARS LATE!

JERRY FLEIGLE--HE INVENTED SOAPERMAN AND ANGER!

AND THOSE SUPER PHONIES-- ARNOLD FAKE AND GEORGE KRASHDOWN!

YOU WIN, BULGENOFF! YOU'RE MORE BORING THAN -- EGOMAN!

AND BACK AT MARBLETOWN...

AHHHH, MY LOYAL CHILDREN! YOU'VE RETURNED TO YOUR 1ST LOVE!

NO, WE'VE RETURNED TO THE 2ND NUTTIEST PUBLISHING HOUSE IN THE WORLD!

BOY, THAT B.C.MUTHT BE THOME CUCKOO-NEST!

I MUST GO DOWN TO THE STANDS AGAIN, TO THE RACKS OF DIRTY BOOKS,  
WITH THE COVER SHOTS THAT EVEN MAKE ACCOUNTANTS TURN AND LOOK,  
AND ALL I ASK IS A CENTERFOLD TO MAKE MY PALMS PERSPIRE,  
AND MAKE ME PANT AND TURN MY MOUTH ALL FOAMY WITH DESIRE.

Bill Burke

I MUST GO DOWN TO THE STANDS AGAIN,  
WHERE THE 'ZINES THAT THEY DISPLAY  
ARE JUST TOO HOT FOR SEX-STARVED  
FIENDS LIKE ME TO KEEP AWAY:  
I'LL SAVE MY PENNIES, BE REAL GOOD  
AND COUNT THE DAYS 'TIL I AM  
TEN YEARS OLDER; THAT'S WHEN MOMMY  
SAID SHE LET ME BUY 'EM!

I WANDERED DOWN A GREENWICH STREET  
WHEN TO MY EARDRUMS CAME A ROAR  
THAT SOUNDED LIKE A WHALE IN HEAT;  
THE SIGN UPON THE NIGHTCLUB DOOR  
SAID "V.D. VIDA AND THE SYPHS--  
INFLAMED HARMONICS; BURNING RIFFS."

THE DRUMMER, IN THREE-QUARTER TIME,  
RAISED WELTS UPON THE BASSIST'S BACK;  
THE SINGER CAUSED HER PITCH TO CLIMB  
EACH TIME SHE TIGHTENED UP THE RACK;  
THE ORGANIST LOOKED SO AUSTERE  
WITH RIVETS DRIVEN THROUGH EACH EAR.

THEY MAY HAVE LOOKED AND SMELLED AS THOUGH  
THEY BATHED EACH DAY IN SEPTIC TANKS,  
BUT TO THEIR MUSIC I WILL OWE  
A DEBT OF NEVER-ENDING THANKS--  
FOR DISCO SONGS, UNLIKE BEFORE,  
DON'T MAKE ME VOMIT ANYMORE.

O ARABS! PLEASE, ARABS, MY TANK  
IS RUNNING DRY,  
I CAN'T AFFORD TO FRY AN EGG:  
MY GRASS IS THREE FEET HIGH;  
LAST WEEK I HOCKED MY WIFE TO PAY  
THE MAN WHO WEARS THE STAR;  
TO FILL AT SHELL I HAD TO TAKE A  
MORTGAGE ON MY CAR;  
BUT OH FIE! FIE! FIE!  
MAY YOU SUFFER PESTILENCE!  
THE PRICE OF GASOLINE HAS JUMPED  
ANOTHER TWENTY CENTS!

O PIPELINE! DEAR PIPELINE, YOU'LL  
RIGHT THIS DEADLY WRONG,  
YOU'LL FREE US FROM THE ARABS' HOLD,  
AND MAKE OUR COUNTRY STRONG;  
YOU'LL GIVE US FUEL ENOUGH TO RUN  
OUR CADS AND CONTINENTALS,  
WE'LL TELL THE SHEIKS TO SHOVE THEIR  
OIL DOWN THEIR ALIMENTALS,  
BUT PIPELINE! DEAR PIPELINE,  
YOUR GAS COSTS TWICE AS MUCH;  
I WONDER IF DETROIT COULD MAKE  
A CADDY WITH A CLUTCH?

BEFORE ENTERING THIS NEWSPAPER CHICKEN COOP, LET'S STUDY THE PECKING ORDER!

AT HIS

GREAT  
STORY! WE'LL  
FRONT-PAGE IT!

THE NEXT DAY....

MR. GRUNT! REPORT TO MRS. TENSUN  
IMMEDIATELY -- UNDER PENALTY OF  
DEATH!!

SHE MUST BE

HOW'D YOU

BY CATCHING  
IT THE

\$3,000,000!

I  
GUESS  
THE

DILLIE! BOSSI! I WANT  
TO SEE YOU BOTH! AND I  
WILL, AS SOON AS I CAN  
OPEN MY EYES AGAIN!!

THE BOSS-LADY GAVE

HE DIDN'T FOOL US WITH THAT RABIES CRAP! WHOEVER HEARD OF A CAT WITH RABIES?

WHO? THE FIRE CHIEF, IS WHO! HIS LAWYER, IS WHO! ALSO, OUR BOSS, IS WHO!

SOUNDS LIKE A FLOCK OF OWLS JUST FLEW IN!

CLOSELY STUDYING ONE OF YOU PICTURES, YOU MAY SPOT A USEFUL CLUE!

THE WAY THE CAT IS FOAMING AT THE MOUTH?

I THOUGHT IT WAS SHAVING CREAM! I MEAN A CAT HAS WHISKERS, RIGHT?

SHAVING CREAM! OF ALL THE DUMB, STUPID, IDIOTIC, NINCOMPOOPIC --

WHO SAYS T.V. ACTORS ARE A BUNCH OF NO-TALENTS? WHO SAYS THEY COULDN'T PLAY SHAKESPEARE AND IBSEN AS WELL AS THEY DO KOTTER AND KOJAK? WHO SAYS, WITH A GREAT SCRIPT, FARRAH-FAWCETT-MAJORS COULDN'T SHOW THE DEPTH AND POWER OF A BETTE DAVIS? WHO SAYS SO? WE DO!!! AND HERE'S PROOF!!!!!!

## FIRST PICTURE OF ASTOUNDING FIND. . . SIAMESE-TWIN WORMS, FRAN AND BILL

Simple New England fisherman, Louie  
Giangstrella, made the astounding discovery  
while fishing off his yacht, the Al Capone.  
The Coast Guard, impressed by this  
significant scientific contribution, agreed to

overlook the 200 pounds of pure heroin also  
found aboard. Louie angrily denies worm is  
really a lost Harvard football letter. Shown,  
too, are fish caught and hook used. Fish was  
a Haddick.

## Feed your fat face and grow thinner

U.S. Patent No. 131313 may prove to be the greatest thing that's happened to fat people since MacDonald's invented indigestion. It's the brainchild of Harvey Hockinfoos and he calls it "FATAWAY".

From his bedside in the Intensive Care Room of Our Lady of Fatima Hospital, he explained through thin, white but smiling lips.

"You strap yourself into the FATAWAY chair and clamp these pulleys to your wrists. Each is attached to huge weights. Want a bite of turkey? You have to lift 200 pounds to reach it. The turkey adds 80 calories to you but the exercise takes away 300. It's fool-proof!"

H.H. admits there are a few side effects. Muscle aches are common. Severe spasms, actually. Some hernias have been heard of. Heart attacks are not unknown. But the commonest side effect is rage.

"One man tore the pulleys out of the ceiling and hurled them through the wall," Harvey said as an IV tube was inserted in his arm so that a massive feeding of liquid food could begin.

"But hurling those huge weights cost him another 2.75 pounds, so FATAWAY really won that battle, too."

To prove FATAWAY works, 285 pound Harvey used it for 6 months. He did a great job. Last night, 68 pound Harvey died at OLF Hospital — of malnutrition.

Every ounce of food costs him a pound of flesh. The inventor demonstrates how a meal inside his machine becomes

some of the hardest work you have ever done and leaves you hungry, tired, angry — and gloriously thin!

**CHICKEN FAT POWER!**

From the tomb of the mightiest  
of all Pharaohs, Derr-Tuten XI,  
comes this remarkable amulet  
which ancient Egyptians knew as  
Chee-Kin Li-Tel!

The fantastic storm of cosmic  
energy that radiates from the  
amulet is nothing but  
concentrated chicken fat power!

Early men  
understood the  
highest forms of  
human thought and  
spiritual values,  
though they could  
not read, write or  
play the guitar.

These filthy  
primitives knew the  
mystic energy that  
was stored in every  
glob of chicken fat!

But, over the  
centuries, a great plot was  
launched to stamp out our  
chicken fat knowledge. Ask  
yourself this question:

• Did Beethoven even whisper of  
the inspiration he gained from  
chicken fat power? Not a  
whisper!

You see it now, don't you?  
This conspiracy of silence! How  
could the greatest minds live all  
their lives without saying the  
words "Chicken  
Fat"? Except, of  
course, if they are  
part of a plot to  
keep you from  
sharing their good  
luck!

But now this  
wisdom is yours!  
Hold the amulet in  
your hands. Feel  
every drop of  
chicken fat in the  
universe coursing  
through your  
system. And it's all free —  
because we love you! Fill out the

Nightmare experience for leader of

Special to the Unquieter:

"I swear, I woke up without heart flutters, and  
no cold sweat! Right off, I knew I was in  
trouble." Royally Stoned group leader Mack  
Jigger used up another quart of Jerk Daniels  
whiskey to wash down six more reds, five yellows,  
three blues and a vitamin pill.

"I knew it instantly, too," said lovely Blanca  
Jigger, Mack's companion of eleven days.  
"Suddenly he stopped talking jibberish! We were  
both petrified!" she said smoking a \$100 bill and  
washing it down with vintage drano.

"Wham!" Mack continued, "I saw my whole  
career flash before my eyes. That's sheer terror,  
man!"

There's a happy ending though, Mack and  
Blanca have founded their own "Church of the  
Acid Rock" in Hollywood and Biarritz. Good Luck  
you adorable cuckoos!

"Thank God the nightmare is over!" says Mack  
Jigger as he returns to normal in this exclusive

# DID OUTER-SPACE MEN BUILD CONEY ISLAND?

## EMINENT SCIENTIST AND DEEP THINKER ASKS, "VY NOT?"

Did aliens land at Coney Island and leave behind the devices we think of as amusement park rides?

Wolf von Grossfibber, famed author, doctor, lawyer, Indian chief, chemist, physicist, typist, historian, explorer, computer expert and liar believes they did!

"All the signs point to it." In proof, he held up three metal arrows marked,

Dr. Wolf von Grossfibber and two aides.

FERRIS WHEEL OR GIANT CARBURETOR?  
YOU DECIDE!

For years this structure was thought to be a scenic-railway. But Dr. von Grossfibber now reveals it is a petrified strip of lasagna. Some spaceman's lunch, perhaps?

Famed park entrance is really an alien idol — God of Big-Mouthedness, Bil-ee Cah-tuh.

What some believed a parachute jump was actually a clothes line for alien handkerchiefs, says Dr. von Grossfibber.

von Grossfibber admits this is a cone — but a missile nose cone that ran into a misplaced igloo during the ice age. To reveal it's secret alien design, turn picture upside down — or stand on your head.

"Coney Island"

"These were doubtless markers fired by the spacemen."

When we asked if they couldn't be police direction arrows and, if not, what did the P.D. on them stand for, he said:

"Pretty Dumb!" and hit us with all three arrows.

Dr. G's newest book, "I met the tooth fairy!" may top his best seller, "The Pyramid Was a Spacemen's Bathroom". Nice fibbing, Dr. Grossworker.

Hello again from Hollywood! When I first started my brave defense of freedom of the press by tapping phones and hiding cameras in stars toilets, you should have heard the fraidy cats scream!

But now that I have 60,000,000 readers, it's another story — and they're all dying to tell it! Well, get on line, starsees! The confessions begin here!

**Burt Rainholes: I stole!**

**Rachel Belch: I sold my love!**

**Barbwa Strident: I hever used my own voice**

**Jane Flounder: My father beat me mercilessly!**

"When I was broke I did anything for a buck, including selling that worst of all perfumes, 'My Love' by Stinquee of Paris. I'm glad to make a clean breast of it."

"When I ws a child, my father, screen star Henry Flounder, loved to play games with me. Not kiddy games, either. He taught me chess at two! I lost 14,000 games to him and never won one. He beat me mercilessly. But I got even when I grew up. I broke his G.A.F. camera and lowered his face lift! And that's the whole tooth!"

"The block I grew up on was so tough that you had to hit first and speak after! For fifteen years I never used my voice. But I developed a great left hook — in my nose! I'm glad to tell all now because it means you can't blackmail me anymore, Barbwa!"

"I arrived in Hollywood with sixteen suitcases and no talent. So I stole my smile from Johnny Carson, my funny delivery from Groucho Marx, my dirty talk from Hugh Hefner's Barber and my toupee from Frank Sinatra. I'm glad to get this off my chest!"
